Parent's Afternoon Tea party provides an opportunity for parents to have an informal chat and a cup of tea with the class teachers of their ward's section respectively. The innovative idea of the tea party in W.H. Smith Memorial School was originated by our beloved Principal Dr. Anita Pauline Dey. In our school, we pay high emphasis on parental involvement in a child's education and overall development.

Tea parties serve as an avenue for parents, teachers, and students to bond. At grade 3 level 40 parents from each section were invited to the tea party. The class teachers welcomed the parents along with their kids who were used to attending online classes due to pandemics. Many games were played with the kids and their parents. The kids and their parents sang songs, danced. The mother's parent shared their best recipes. Therefore, it was great fun for them. They enjoyed it a lot. All the parents appreciated the efforts made by the school for a healthy and fun way of interaction.
