Class presentation began with the welcoming of parents. Children of classes UN A, B and C conducted class presentation on 30th July, 2022 in Cecilia Rose hall. The event was witnessed by all the guardians, teachers and students. In class presentation students presented different subject related topics in very creative manner. Students shown their talent through singing prayer song, poetry recitation, sounds of letters A to z, Backward counting from 1-30, and explained body parts and sense organs in different related subjects English, Maths and Nature Study's.

It was a moment of great excitement for the parents as their brave children were for the first time in their life was giving a stage performance. Parents cheered up students every now and then to encourage their presence at stage. Both the students and parent experienced a joyful learning during the whole event.

At last, teachers have planned a 1 minute game show namely chopping onion, put thread in the needle and find a key from the sand. Parents enthusiastically participated and played. They were glad to receive gifts and thank you cards. Their valuable suggestions were asked to put on a suggestion tree. Tea & biscuits were served to the parents as refreshment.
