Different fruits are available in your favourite seasons.

8

So, let's enjoy all the fruits available in the market during that season and learn something interesting about their seeds. Write your observations in the observation table given below.

OBSERVATION TABLE

FRUIT	NUMBER OF SEEDS	DESCRIPTION OF SEED
		size _____ colour _____ shape _____
		size _____ colour _____ shape _____
		size _____ colour _____ shape _____
		size _____ colour _____ shape _____
		size _____ colour _____ shape _____

You must have observed in the previous activity that different fruits have seeds of different sizes and shapes. Now we have an interesting craft activity for you using the seeds you have saved.

Dry the seeds of the fruits you have eaten by keeping them open in a plate for few days. Use your creativity to make different things with these seeds. You can use sketch pens, googly eyes, paints, glitters etc. to decorate.

Some ideas are given below for your reference.

USE SCRAP BOOK FOR THE SEED ACTIVITY

India is a beautiful country blessed with large variations in seasons. Each season has its own cheer and beauty. Enjoy your summer vacation with some interesting and fun filled activities based on various seasons.

THE STORY ABOUT SEASONS

Read the story carefully and answer the questions given below:

One day, the seasons had an argument. Each one of them said, "I am the best!"

SPRING said, "I am when flowers bloom and it is green and fresh everywhere. Birds fly and insects have fun with new flowers."

SUMMER said, "Yes, but I am when the sun shines brightly. People eat ice-cream, enjoy cold drinks and eat yummy watermelon."

MONSOON said, "I bring relief to all living beings from the uneasy summer heat. Everyone eagerly waits for me. I help in growing and nurturing the crops."

AUTUMN said, "I am when trees shed their leaves and cover the earth in red, yellow, brown and orange brilliance. The air feels cool."

WINTER said, "I am when people wear woolen clothes, caps and gloves to keep their body warm. Birds fly south because it's too cold."

Since they could not decide who the best was, so they agreed that they all were important because one could not do without the others.
