Guidelines for Homework:

1. All projects must be handwritten.
2. Do the homework on file pages.
3. The cover page should show the school's name, Logo, Student's name, Class, Section and Subject.
4. The second page should be about acknowledgement.
5. Each topic should be written on a new page.
6. Marks will be for spelling and grammatical errors.
7. Submit the homework in a handmade file cover.
8. There are four questions in every subject. Each question carries 5 marks.

History

1. The school Almanac (Diary) makes you aware of many rules that help you only if you know about them. List any 5 rules mentioned in your school Almanac and write how their knowledge helped you to know that you can be helped in many ways in school.
2. Make your own book of constitution- Take few pages, on the top page design the cover page of the constitution, on the next page write the Preamble to the constitution. Inside your mini constitution write down the meaning of these words: (a) Sovereign (b) Democratic (c) Socialist (d) Republic.
3. Read the book 'We the children of India' and write down its summary in 100 words.
4. Visit the new renovated Man Singh Observatory at Man Mandir ghat. Write a report on your visit in 100 words. Also paste at least 5 pictures of your visit.

हिंदी परियोजना कार्य

1. 'पुस्तकें हमारी सच्ची मित्र हैं' विषय पर 200-250 शब्दों में निम्नलिखित सांकेतिक बिंदुओं के आधार पर निबंध लिखिए-
(क) प्रस्तावना, (ख) पुस्तकों से लाभ, (ग) रोजगार के नए अवसर, (घ) इ पुस्तकों का प्रचलन, (ङ.) खाली समय का सदुपयोग, (च) उपसंहार।
2. विद्यार्थी जीवन में पुस्तकों के महत्व को समझाते हुए अपने मित्र को पत्र लिखिए।
3. किताबों पर आधारित पांच नारे अथवा सुविचार लिखिए।
4. निम्नलिखित प्रश्नों का संक्षिप्त उत्तर लिखिए-
(क) दुनिया की सबसे पुरानी किताब कौन सी है?
(ख) सबसे पहली किताब किसने बनाई थी?
(ग) विश्व की सबसे बड़ी किताब कौन सी है?
(घ) विश्व की सबसे छोटी किताब कौन सी है?
(ङ.) दुनिया की सबसे प्रसिद्ध किताब कौन सी है?

English

1. Draw a family tree of books. In which you have to mention about the various book genres and also give the name of one book belongs to each genre. Example: Fairy Tale – Cinderella.
2. Make a book cover of one of your favourite books which you have recently read. Draw or paste the pictures of the main characters of the story. Also write the summary of it.
3. It is the time to become an author. Choose any one of your favourite fairy tale or fable or mystery or comedy and weave a new climax of the story according to you.
4. UNESCO decided the WORLD BOOK and COPYRIGHT DAY would be celebrated on 23rd April. Collect and pen down the necessary information about the World book and Copyright Day. Word limit is 200 – 250.

Mathematics

Please note: Don't use Internet to find out the information which has been asked in the project. Make it as beautiful as you wish. Kindly read magazines, articles, newspaper and books to complete your project.

- 1. Write about 5 famous **Mathematicians** of **India**. What they contributed for maths and their brief introduction with their photograph.*
- 2. Measure 5 things surrounding you which should be square, rectangle or triangle. Write its area and perimeter.*
- 3. On a quarter chart - paper make the factor families and its properties.*
- 4. Write a page on 'Why do we study Roman numerals' and what is its use in our daily lives.*

Science

- 1. Reading has been shown to slow the rate of memory deterioration and even improve your memory and thinking skills. Please write the 5 points behind the science of reading the books.**
- 2. Make a mini scrap book explaining each and every topic of the circulatory system. You can use pictures and flow charts to explain the topic.**
- 3. We all know books are made from papers and papers do come from trees. How is paper made from trees step by step? Write all the steps in the form of a flow chart. Draw a pencil sketch of all the stages .**
- 4. Read the biography of Newton and write answers to the following questions.**
 - i. What did Isaac use to discover gravity?**
 - ii. What type of math did he work on?**
 - iii. What type of telescope did he build?**
 - iv. How many laws of motion did he describe?**
 - v. Who was he named after?**

Geography

Note: Word Limit: 150-200

- 1. What are the alternatives to timber in paper industry? Paste picture related to it.**
- 2. What is the Geographical Distribution of Paper Industry in India? Write coordinates of 10 states where paper industry is located in India and mark those states on a political map of India.**
- 3. How do different cultures use paper, and what are some unique traditions or artistic practices associated with paper in different parts of the world? Paste pictures related to it.**
- 4. "Say No to Paper Bag and Yes to T-shirt Tote Bag" Up cycle your old T-shirts into Tote bags. Paste six different types of paper on a scrap book page.**

Computer Science:

Design the booklet of 5 to 10 pages in MS Word and type about following points:

1. History of Computer
2. Generations of Computer
3. Limitations of Computer
4. Artificial intelligence (AI)

Decorate the cover page and back page using MS word. Name of the booklet should be "Evolution of the Computers" and it should be mentioned on the cover page. Page number should be mentioned.

Art

Make a beautiful book cover by using left over craft pages.
