OUR JOURNEY

LOVE, HOPE & PEACE

Messengers of peace

For several years W. H. Smith Memorial School has observed Hiroshima and Nagasaki Day to promote the principles of 'Peace and Harmony'. In August 2019, we collaborated with the UNESCO Chair for Peace and Intercultural Understanding and the Malviya Centre for Peace Research (Banaras Hindu University), and organized the "All India Art Exhibition."

Global lockdown

During the global lockdown, in 2021 caused by the COVID-19 pandemic, we conceived the idea of CONCORDIA- a Virtual Interschool Event inspired to motivate the younger generations to adopt peace as a way of life.
